

# Please respect our 5 kinds of waste

## compost

(food waste, etc, see sign by front door)

## e-waste

(anything with electronic components)

## recycling

(blue bins: clean paper with or without writing on it, cardboard, bottles, cans, no foil candy or food bags, no paper plates, used napkins)

## batteries

(in box on bookcase by front door)

## actual trash

(pretty much everything else, for example, **vinyl scraps**, random plastic things, vinyl sticker backing, **3D print parts**, **wood scraps**, acrylic scraps, bent nails, styrofoam...if in doubt, ask.)
