

Introductory Email  
Due Tuesday 8/18/20

The first assignment you have in Project Make is simple:

Log in to your School Gmail account and send an email to [whays@wscuhsd.org](mailto:whays@wscuhsd.org) that has the following:

1. Subject line: Project Make, 3rd period, Your name  
Where the period is your period (3rd, 4th, or 7th) and the name is your first and last name.
2. In the body of the email answer these questions:
  - a. What is your history with Making or tinkering, if any? Tell me about some interesting things you have made or built, if appropriate. Or if you don't feel that you have anything to tell me about this just say "I'm new to all of this" or something like that, no problem.
  - b. Tell me something you are looking forward to in our class.
  - c. (Last question optional) If there is anything else you would like to tell me to help me be a better teacher for you this year, go for it.

Send the email to me, and that's assignment #1.
