

## Spirit Shirt Design Contest

### Project Make (1 and 2)

Due: Thursday 3/28/24 (4th & 6th periods), Friday 3/29/24 (3rd period)

Leadership is conducting a contest to design next year's spirit t-shirt.

Your task: propose a design for the shirt here on the Google Classroom.

#### Requirements:

- Your design may be in Inkscape or it may be hand-drawn.
- It must contain "24-25" and "Analy".
- It should feature our school colors (blue and red, also grey if you want) but can obviously include other colors, too.
- It must be exciting and fun and interesting.

If you draw or paint it on paper, please turn in a photograph. If you create it in Inkscape, turn in the Inkscape file.

The design is an assignment for Make class. If you are proud of your design and want to see if you can get it to be the t-shirt for next year, go ahead and submit it to Brigitte at the ASB office before April 26 (actually submitting it to the ASB office is optional.) If you need help finding a color printer, let me know. Good luck!
